Dear Shareholder

ANNUAL GENERAL MEETING 2020

The Annual General Meeting of the Company will be held on Thursday 30 April 2020, commencing at 10.00am at the offices of RPS, 20 Western Avenue, Milton Park, Abingdon, Oxon, OX14 4SH. A copy of the Annual Report and Accounts of RPS Group Plc for the financial year ended 31 December 2019, including the Annual Financial Statements and the Directors' Remuneration Report, is enclosed.

FINAL DIVIDEND

When we announced our full year results on 19 February 2020, we also confirmed that the Board proposed to pay a final dividend of 2.00p per share. Since that announcement events worldwide in respect of the COVID 19 pandemic have caused us to reflect on that decision.

The events of COVID 19 are having an impact on the profitability of the Group and on World financial markets. RPS has taken all necessary action to reduce costs and limit cashflow to protect the profitability of the Group, during this difficult period. In line with those measures the Board has, with regret, decided not to propose a final dividend at this years Annual General Meeting, which we announced to the markets via an RNS on 24 March 2020.

Given that significant uncertainty exists around the impact of COVID 19 the Board believes that this is the pragmatic thing to do in these challenging times, and that the decision is in the best interests of RPS, its people and shareholders.

As can be seen from the Notice of Meeting we have resolutions to cover the ordinary business of the meeting. Items relating to disapplication of pre-emption rights, purchase of own shares and notice period for general meeting are by way of special resolution. All other business is to be dealt with by way of ordinary resolution.

As we announced at the time of our preliminary results Judith Cottrell has been nominated to join the Board as Finance Director and is standing for election by shareholders. After 20 years with the Company serving as Finance Director, Gary Young will be standing down by rotation at the Annual General Meeting and will not be seeking re-election. All of our other Directors will be standing for re-election.

RECOMMENDATION

Your Directors consider that all of the proposals to be considered at the Annual General Meeting are in the best interests of the Company and of its shareholders as a whole. They recommend that you vote in favour of these resolutions, as they intend to do in respect of their own beneficial holdings.

ACTIONS TO BE TAKEN

Enclosed with this circular is a Form of Proxy for the resolutions to be proposed at the Annual General Meeting. You are strongly encouraged to complete, sign and return the Form of Proxy, using the envelope provided, in accordance with the directions as soon as possible. This should be received not less than 48 hours before the time appointed for the meeting, excluding any part of a day which is a non-working day. Completion and return of the Form of Proxy will not prevent you from attending the meeting and voting in person should you wish to do so.

ATTENDANCE AT MEETING

Given the changing landscape and the advice from the government to stay at home and only venture out in certain circumstances, we are intending to limit the participation of board members at the AGM by video conference. We are also offering shareholders the opportunity to submit any specific questions or queries on the business of the AGM, we will publish these questions and answers on our website after the meeting. If you do want to submit any questions then please email them directly to our Company Secretary, David Gormley at: david.gormley@rpsgroup.com.

In the event that our AGM arrangements have to change, the Company will issue a further communication via a regulatory news service.

Should you have any questions please contact the Registrar's helpline on 0371 384 2083 for UK shareholders or +44 121 415 7047 for overseas shareholders, or the Company Secretary at the address above. Lines are open 8.30am to 5.30pm, Monday to Friday (excluding public holidays in England and Wales).

Yours faithfully
for RPS Group Plc

Ken Lever
Chairman

NOTES

1. A member entitled to attend and vote at the meeting is entitled to appoint one or more persons as proxies to attend, speak and vote. A proxy need not be a member of the Company. The appointment of a proxy will not preclude a member from attending and voting at the meeting in person should he subsequently decide to do so.
2. (a) CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the meeting and any adjournment(s) thereof by using the procedures described in the CREST Manual which can be viewed at www.euroclear.com. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
(b) In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's (formerly CRESTCo's) specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) by the latest time(s) for receipt of proxy appointments specified in the Notice of Meeting. No message received through the CREST network after this time will be accepted. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company's Registrars are able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
(c) CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
(d) The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
3. A form of proxy is enclosed with this notice. Any form of proxy and power of attorney or other authority under which it is signed or a notarially certified or office copy of such power or authority in order to be valid must be completed, signed and lodged using the envelope provided with the Company's Registrars, Equiniti Ltd, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA not less than 48 hours before the time of the meeting (or, in the event that the meeting is adjourned, not less than 48 hours before the time of any adjourned meeting) excluding any part of a day which is a non-working day.

Only those shareholders registered in the register of members at 6.30pm on Tuesday 28 April 2020 or, in the event that the meeting is adjourned, on the register of members as at 6.30pm two days prior to the time of any adjourned meeting excluding any part of a day which is a non-working day, shall be entitled to attend and/or vote at the meeting in respect of the number of shares registered in their name at such time. Changes to entries in the register of members after 6.30pm on Tuesday 28 April 2020 or in the event that the meeting is adjourned, after 6.30pm on the day two days prior to any adjourned meeting, excluding any day or part of a day which is a non-working day, shall be disregarded in determining the rights of any person to attend and/or vote (and the number of votes they may cast) at the meeting.
5. Please also indicate by marking the box on the proxy form if the proxy instruction is one of multiple instructions being given. All forms of proxy must be signed and should be returned to Equiniti Ltd; and

(d) the right of a shareholder under section 324 of the Act to appoint a proxy does not apply to a person nominated to enjoy information rights under section 146 of the Act.

8. A shareholder which is a corporation may authorise one or more persons to act as its representative(s) at the meeting. Each such representative may exercise (on behalf of the corporation) the same powers as the corporation could exercise if it were an individual shareholder, provided that (where there is more than one representative and the vote is otherwise than on a show of hands) they do not do so in relation to the same shares.
9. Where a copy of this notice is being received by a person who has been nominated to enjoy information rights under section 146 of the Act ("nominee"):
- (a) the nominee may have a right under an agreement between the nominee and the member by whom he was nominated, to be appointed, or have someone else appointed, as a proxy for the meeting; or
 - (b) if the nominee does not have any such right or does not wish to exercise such right, the nominee may have a right under any such agreement to give instructions to the member as to the exercise of voting rights.

The statement of the rights of shareholders in relation to the appointment of proxies in notes 1, 2, 3, 6 and 7 above does not apply to a nominee. The rights described in such notes can only be exercised by shareholders of the Company.

10. As at 26 March 2020 (being the latest practicable date before the publication of this notice), the Company's issued share capital consisted of 227,446,668 ordinary shares of 3 pence each, carrying one voting right each. EXPLANATORY NOTES

RESOLUTION 1 ACCOUNTS

The Directors must present to the meeting the Company's Annual Report and Accounts for the financial year ended 31 December 2019 together with the Directors' report and auditors' report thereon. The Annual Report and Accounts for the financial year ended 31 December 2019 is available on the Company's website at www.rpsgroup.com.

RESOLUTION 2 APPROVAL OF ANNUAL REMUNERATION REPORT

In accordance with the Large and Medium Sized Companies and Groups (Accounts and Reports) (Amendment) Regulations 2013 the Company is required to present an annual remuneration report to shareholders which sets out the implementation of the Company's remuneration policy during the previous financial year. The remuneration report is set out on pages 74 to 92 of the Annual Report and Accounts.

RESOLUTION 3 ELECTION OF DIRECTOR

Judith Cottrell is offering herself for election to the Board. Judith will be taking on the role of Group Finance Director following Gary Young retiring from the business and not offering himself for re-election. Judith was RPS' Group Director of Strategy and is a member of the Group's Leadership Team. Judith has over 20 years' experience in senior finance and operational roles, including as CEO for RPS' Consulting UK & Ireland segment. She started her career qualifying as an accountant with KPMG before joining AEA Plc, which was focused on government work and providing environmental consultancy services. Judith joined RPS in 2015 as CFO Europe and has a deep in-house knowledge of the company, its business model, operating structure, clients and people.

RESOLUTIONS 4 to 9 RE-ELECTION OF DIRECTORS

In accordance with recognised best practice all other Directors are seeking re-election. Biographical details of all the Directors are set out on pages 50 and 51 of the Company's Annual Report and Accounts which illustrates the range of skills and experience they offer. The Board has concluded that the Directors seeking re-election continue to make an effective contribution to the Board and demonstrate commitment to their roles. All Directors are subject to regular performance appraisals. The Board therefore recommends, as separate resolutions, the re-election of all these Directors.

RESOLUTION 10 RE-APPOINTMENT OF AUDITORS

The Act requires that the auditors of a company must be re-appointed at each general meeting at which its annual accounts and report are laid. Resolution 10 proposes the re-appointment of the Company's existing auditors, Deloitte LLP, until the next meeting at which its annual accounts and report are laid.

RESOLUTION 11 AUDITORS' REMUNERATION

In accordance with normal practice this resolution authorises the Audit Committee to determine the auditors' remuneration.

RESOLUTION 12 AUTHORITY TO ALLOT SHARES

The Act requires that to allot unissued shares (or grant rights to subscribe for, or to convert any security into, shares in the Company) the Directors must be authorised to do so by the shareholders. This resolution would authorise the Directors to allot shares (and to grant rights to subscribe for, or to convert any security into, ordinary shares) in the capital of the Company up to an aggregate nominal value of £2,274,466 which represents approximately one third of the Company's issued share capital as at 26 March 2020, being the last practicable date before the publication of this document.

In addition, if passed, paragraph 12(ii) of resolution 12 will authorise the Directors to allot ordinary shares in the Company (and to grant rights to subscribe for, or to convert any security into, ordinary shares in the Company) in connection with a rights issue only up to a further aggregate nominal amount of £2,274,466. This amount represents approximately one-third of the Company's issued share capital as at 26 March 2020, being the last practicable date before publication of this document.

This resolution 12 is in line with the guidance issued by The Investment Association.

The Company holds no shares as treasury shares (within the meaning of section 724(5) of the Act) at the date of this notice.

If given, these authorities will expire 15 months from the date the resolution is passed, or if earlier, on the date of the Company's next annual general meeting. It is the Directors' intention to renew this authority each year.

The Directors have no current intention of exercising either of the authorities sought under resolution 12 other than to allot shares to satisfy outstanding commitments to issue shares as consideration under previous acquisition agreements and to the extent such authority is needed under the Company's employee share plans.

However, the Directors consider that it is in the best interests of the Company to have the authorities available so that they have the maximum flexibility permitted by institutional shareholder guidelines to allot shares or grant rights without the need for a general meeting should they determine that it is appropriate to do so to respond to market developments or to take advantage of business opportunities as they arise.

EXPLANATORY NOTES

RESOLUTIONS 13 and 14 DISAPPLICATION OF PRE-EMPTION RIGHTS

The Act requires that, subject to certain exceptions, before Directors of a company can allot any new shares or other equity securities within the meaning of section 560 of the Act (including the sale of treasury shares) for cash, the new shares must first be offered to existing shareholders of the Company in proportion to the number of shares which they hold at the time of the offer.

These resolutions would disapply the

pre-emption provisions of section 561(1) of the Act to allow the Directors to allot shares or sell treasury shares for cash without having to comply with statutory pre-emption rights.

Resolutions 13 and 14, which will be proposed as special resolutions, if passed, will enable the Directors to allot equity securities for cash or sell treasury shares for cash up to a maximum aggregate nominal amount of £4,548,932 without having to comply with statutory pre-emption rights.

The powers proposed under resolution 13 will be limited to allotments or sales:

- (a) up to a maximum aggregate nominal amount of £4,548,932 in connection with a rights issue or £2,724,466 in connection with an open offer or other pre-emptive offer, in each case to ordinary shareholders and to holders of other equity securities (if required by the rights of those securities or the Directors otherwise consider necessary), but (in accordance with normal practice) subject to such exclusions or other arrangements, such as for fractional entitlements and overseas shareholders, as the Directors consider necessary; and
- (b) in any other case, up to a maximum aggregate nominal amount of £341,000 (being approximately 5% of the existing issued ordinary share capital of the Company as at 26 March 2020, being the last practicable date before publication of this document).

The powers proposed under resolution 14 will be limited to allotments or sales:

- (a) up to a maximum aggregate nominal amount of £341,000 (being approximately 5% of the existing issued ordinary share capital of the Company as at 26 March 2020, being the last practicable date before publication of this document); and
- (b) used only for the purposes of financing (or refinancing, if such refinancing occurs within six months of the original transaction) a transaction which the Directors determine to be an acquisition or other capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this notice.

In accordance with The Pre-Emption Group's Statement of Principles, the Company would not, without prior consultation with shareholders, use these authorities to allot shares exceeding 7.5% of the issued ordinary share capital of the Company within a rolling three-year period other than in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding six month period and is disclosed in the announcement of the allotment.

If given, these resolutions will expire 15 months from the date the resolution is passed, or if earlier, on the date of the Company's next annual general meeting. It is the Directors' intention to renew these authorities each year.

RESOLUTION 15 AUTHORITY TO PURCHASE OWN SHARES

The Act requires that a company must be authorised by its shareholders to purchase its own shares. This resolution seeks authority for the Company to make market purchases of its own shares within the limits set out.

This resolution would renew the authority for the Company to purchase its own shares. If the resolution is passed, the maximum number of shares capable of being purchased under the proposed authority will be 22,744,666 ordinary shares of 3 pence each (representing approximately 10% of the issued share capital of the Company as at 26 March 2020, being the last practicable date before the publication of this document).

The minimum and maximum prices for such a purchase are set out in the text of the resolution. If given, this authority will expire 15 months from the date the resolution is passed, or if earlier, on the date of the Company's next annual general meeting. It is the Directors' intention to renew this authority each year. The Directors have no present intention of exercising this authority but consider the authority desirable to provide maximum flexibility in the management of the Company's capital base. Any authority would only be exercised if the Directors had an expectation that such purchase would result in an increase in expected earnings per share and would be in the best interests of shareholders generally.

The Company does not hold any ordinary shares in treasury. The total number of outstanding options to subscribe for ordinary shares as at 26 March 2020, being the last practicable date before the publication of this document was 50,000. These rights represent 0.022% of the issued ordinary share capital of the Company as at such date and would represent 0.022% of the issued and voting ordinary share capital of the Company, if the full authority to purchase its own shares in accordance with the resolution were to be exercised by the Company.

The Company is permitted to hold shares it has purchased in treasury, as an alternative to cancelling them. Shares held in treasury may subsequently be cancelled, sold for cash or used to satisfy options exercised under the Company's share schemes. Whilst held in treasury, the shares are not entitled to receive any dividend or dividend equivalent (apart from any issue of bonus shares) and have no voting rights. The Directors believe that it is appropriate for the Company to have the option to hold its own shares in treasury if, at a future date, the Directors exercise this authority, in order to provide the Company with additional flexibility in the management of its capital base.

However, the Directors currently intend to cancel any shares purchased under this authority. The Directors will have regard to institutional shareholder guidelines which may be in force at the time of any such purchase, holding or re-sale of shares held in treasury.

EXPLANATORY NOTES

RESOLUTION 16 NOTICE PERIOD FOR GENERAL MEETINGS

Changes made to the Act by the Companies (Shareholders' Rights) Regulations 2009 ("Regulations") mean that all general meetings must be held on 21 clear days' notice unless shareholders agree to a shorter notice period. In order for the Company to be able to call general meetings (other than annual general meetings) on 14 clear days' notice, shareholders must have approved the calling of meetings on 14 clear days' notice. Resolution 16, which is proposed as a special resolution, seeks such approval. A similar approval was given at the Company's last annual general meeting. The approval will be effective until the Company's next annual general meeting, when it is intended that a similar resolution will be proposed. The Company will also need to meet the requirements for electronic voting under the Regulations before I can call a general meeting on 14 clear days' notice.

The Directors only intend to use the shorter period for calling general meetings (other than annual general meetings) when the additional flexibility is (i) merited by the business of the relevant meeting and (ii) for the advantage of shareholders as a whole, for example, for time sensitive matters such as capital raisings.
